Adult HIV Clinical Preceptorship

The Preceptorship Target Audience
The preceptorship is designed for primary care providers who currently care for HIV-infected individuals. Trainees are supervised by Petersen Clinic physicians. The training includes seminars, small group discussions, and observational clinical experiences. The program is tailored to emphasize training needs in HIV care relevant to the expertise and interest of the trainee.

Training Objectives
- Explain the importance of early HIV identification and intervention.
- Evaluate patients presenting with clinical symptoms that are consistent with HIV infection.
- Manage medications used for prophylaxis and treatment of opportunistic infections.
- Formulate patient treatment plans and be able to differentiate between the classes of antiretroviral therapy.

The Preceptorship Faculty
The Petersen Clinic faculty are certified by the American Board of Internal Medicine and have completed a two year Infectious Disease Fellowship.

Length of Training
The training is two days long and runs from 8:30 am to 5:00 pm. Typically, the training is on the 2nd Tuesday and Wednesday of the month.

Day 1 Agenda
- 8:30 - 10:00 am: HIV update and Testing
- 10:00 - 11:00 am: HIV Primary Care
- 11:00 - 12:00 pm: HIV Co-morbidities
- 12:00 - 1:00 pm: Lunch
- 1:00 - 5:00 pm: HIV Clinic

Day 2 Agenda
- 9:00 - 10:00 am: HIV update and Testing
- 10:00 - 11:00 am: Resistance Testing
- 11:00 - 12:00 pm: HIV Program Development
- 12:00 - 1:00 pm: Lunch
- 1:00 - 5:00 pm: Pre-exposure Prophylaxis
- 2:00 - 5:00 pm: Infectious Disease Clinic

Credit Designation Statement
Community Health Partnership designates this educational activity for a maximum of 15 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education (CME). CMEs are only issued upon request and continue fee.

Accreditation Statement
Community Health Partnership is accredited by the Institute for Medical Quality California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. Community Health Partnership takes responsibility for the content, quality, and scientific integrity of this CME activity.

Arizona AIDS Education and Training Center (AETC)
AETC conducts regional continuing education sessions, on-site training, clinical consultations with experts and clinical preceptors. AETC serves physicians, dentists, nurses, mid-level practitioners (NP,PA), pharmacists and mental health workers. Education and training opportunities target clinicians with low to mid volume HIV patients in their practice.

Pacific AIDS Education and Training Center (PAETC)
The Arizona AETC is a sub-contractor of the Pacific AIDS Education and Training Center. The PAETC is a member of a national AIDS Education and Training Center network of 8 regional and 3 national centers covering all 50 states as well as U.S. territories and jurisdictions. Funding is provided by the Health Resources and Services Administration (HRSA) HIV/AIDS Bureau through the Ryan White Program, Part F.

University of Arizona Petersen Clinics
The University of Arizona Petersen Clinics have provided care to people living with HIV/AIDS since 1981. Petersen Clinics provide comprehensive care for HIV/AIDS patients throughout Southern Arizona. With support of the Ryan White Program, all eligible HIV-positive patients can receive primary care at reduced or no cost. The Petersen Clinic’s grant for Ryan White Primary Care and Early Intervention Services (EIS) funds comprehensive primary health care for individuals living with HIV disease.
